

IFLTA 2nd Vice President candidate Personal Statement

Ye Sun

It is truly an honor to be nominated as a candidate for IFLTA 2nd Vice President. If elected, I will try my best to learn and be qualified with role models before me.

As a world language teacher of 26 years, and a world language learner myself, I realize the significant impact a different language can bring to people, old or young. World languages will broaden vision, enhance culture exchange, help mutual understanding, and above all, make the learner a better person. I will dedicate all my efforts to promote world language education in Indiana and beyond.

Teamwork and group efforts are the key factors to keep education towards a good course. IFLTA is a platform of teamwork and group efforts. Together, we will advocate the importance of world language education. At the same time, we could share the best teaching methodologies and practices to Indiana world language teachers.

I like the quote from Sukhraj S. Dhillon “Your beliefs don't make you a better person, your behavior does.” I will practice my belief by doing what I can as an executive member of IFLTA.
